

CALL FOR PAPERS
BIOSCIENCE BIOTECHNOLOGY RESEARCH COMMUNICATIONS
Vol 11 No (3) July-Sep 2018 and Vol 11 No (4) Oct-Dec 2018

Contribute Your Valuable Research Today

Dear Colleagues,
Heartiest Greetings!

Bioscience Biotechnology Research Communications (BBRC) is entering 12th year of successful publication. The journal is indexed and listed in Thomson Reuters, Now Clarivate Analytics USA, Cross Reference, Index Copernicus, NAAS, CAS, National Library of Medicine NISCAIR, UGC, Google Scholar, Ehlrichs, Research Gate and others.

Explore the journals read and cited articles today. Please visit our journals website: www.bbrc.in

Manuscripts in all areas of basic and applied bioscience & biotechnology including biology and medicine are invited for publication in the forth coming issues of BBRC, Vol 11 No (3) July-Sep 2018 & 4 Oct-Dec (2018) and Vol 12 No (1) Jan-Mar (2019)

Why publish with us?

- ❖ Biosc. Biotech. Res. Comm. is an official multi-disciplinary publication of a Non Profit Society for Science and Nature India, since 2008, having both print and online ISSN with international indexing.
- ❖ It publishes peer reviewed research communications on a fast track: maintaining a timely schedule with high academic standards.
- ❖ It has a very strong editorial board of highly qualified scientists, academicians and researchers comprising a rapid two tier manuscript reviewing system: Internal and external set of reviewers.
- ❖ English language correction is done by experts, free of cost, ensuring quality publication.
- ❖ Rapid Publication: Time to publication is 30-45 days from receiving the manuscript, with every research communication undergoing a rigorous quick review process.
- ❖ Open and free access to researchers with international indexing, ensuring more citations with a lifetime hosting service and a search engine friendly system.
- ❖ State of the art journal formatting and publication style, to view our published research papers please visit our website.
- ❖ Modest Article Publishing Charges

For scope of the journal, instructions to authors and other details, kindly visit us at www.bbrc.in and for submitting your valued research papers to BBRC, please use the on line submission or send by email as attachment to editor@bbrc.in or to drshariqalibbrc@gmail.com

We look forward to receiving your submission.

Sincerely,
Sharique A. Ali, PhD., FLS, FRBS (UK)
Professor & Head, Department of Biotechnology,
Saifia College, Barkatullah University, Bhopal 462001 India

Chief Editor,
Bioscience Biotechnology Research Communications,
