For indexing : <https://bbrc.in/indexed-abstracted/>

**Original unpublished manuscripts in areas of basic and applied biological sciences including biomedicine are invited for peer reviewed prompt publication in its upcoming issues.** <https://bbrc.in/indexed-abstracted>

### Why publish with us?

- *Biotech. Res. Comm.* is the official publication of a Non Profit Society for Science and Nature Bhopal, India, having both print and online ISSN. The Society for Science and Nature (SSN) has been publishing only a single journal, since its inception ie 2008 to maintain high quality of publication.
- It has a very strong internationally acclaimed editorial board comprising a rigorously monitored two tier manuscript reviewing system.
- Time to first decision is 45-60 days from receiving the manuscript, with every MS undergoing a quick and rigorous peer review process.
- Early On -Line Upcoming Issues of the journal host all the accepted open access articles for viewing <https://bbrc.in/>
- Open and free access to researchers with international indexing, ensuring more citations with a lifetime hosting service and a search engine friendly system.
- Modest Article Publishing Charges to maintain the cost of Open Access Publication.
- Significant waivers in APC are available for scholars from developing countries

To prepare manuscripts for publication in *Biosc.Biotech.Res.Comm.* visit our website <https://bbrc.in/>
