

BRIEF CV OF DR SHARIQUE A. ALI

Chief Editor Bioscience Biotechnology Research Communications

Prof Sharique Ali completed his Masters in Animal Physiology from Nagpur University, having a throughout first class academic career and his PhD in Bioscience (Pigment Cell Research) as a prestigious National Fellow of Department of Atomic Energy, BARC, in 1983. Dr. Ali has research experience of 40 years in Biology and Medicine, specializing in Pigment Cell Biology. Dr Ali is Professor of Physiology and Head Postgraduate Department of Biotechnology, Saifia College Bhopal, since last 20 years.

Dr Ali has published more than 175 full research papers in Scopus & Web of Science Journals of high impact factor and has successfully guided 45 PhD students in Bioscience and Biotechnology. He has visited several countries many times like USA, UK Germany, France, KSA, the Middle East, on academic assignments and has also worked as a Cooperating Scientist at Virginia State University VA, USA. He has delivered lectures at various US Universities like University of Arizona, Virginia State University, VA, Cambridge & Trinity Colleges and has worked as UNESCO Fellow at CCMB, Watsons Labs in the US and Asia and as a Professor of Physiology at Medical College, Ministry of Education Saudi Arabia for many years. Dr. Ali has successfully completed several major research projects in Biology & Medicine and has been conferred with many awards, patents, citations and honorary fellowships, including the UNESCO International Award, ROSCTCA, OICD FERRO Awards, USA for his research contributions.

Prof Sharique Ali is the Editor-in-Chief of an International Open Access WoS Indexed Journal, *Bioscience Biotechnology Research Communications*. He is currently Principal Saifia College of Science & Education, Barkatullah University Bhopal India.
