

## **Biography**

### **Dr Mazeyar Parvinzadeh Gashti PhD**

Affiliation: Research and Development Laboratory, PRE Labs Inc., #100-2600  
Enterprise Way, Kelowna, British Columbia V1X 7Y5, Canada

Mazeyar Parvinzadeh Gashti got his Ph.D. degree in fiber composite under the supervision of Professor Siamak Moradian in 2010. He served as a Postdoctoral Fellow at the University of Bern, Switzerland from 2011 to 2013. Parvinzadeh Gashti also worked for two years as a postdoc fellow at Laval University and McGill University, Canada. He currently leads the R and D laboratory in PRE Labs Inc in Kelowna, Canada. He is a member of the editorial boards of several international polymer and material journals, with Clarivate citation index.

Mazeyar is particularly interested in surface and interface characterization of polymers and the modification of bio- and nanomaterials in order to improve their application in various composites. Parvinzadeh Gashti has published 85 papers in different distinguished journals. He is also author of 90 Journal papers and 8 book chapters by World distinguished publishers.
